

AFTER THE WEDDING // Claudia Cifuentes // RT: 78 minutes // Narrative // Drama

Synopsis

After the Wedding follows newlywed Diego Diaz (Nick Puga) as he heads down to Miami Beach for a few weeks to finish his latest novel, but when he becomes emotionally intimate with a sexy bartender, he and his wife (Edy Ganem) are left to examine the true state of their young marriage.

Summary

Diego Diaz is feeling a little lost. Newly married, and desperate to become a published novelist before his type-A wife, Mariana, gets pregnant, Diego heads down to Miami Beach for a few weeks to finish his latest book, before Mariana is to join him for their friend's August wedding.

But once in Miami, the well meaning, yet easily distracted, Diego finds a diversion in Vanessa, the attractive, live-in-the moment bartender he meets by the pool. And what starts off as an innocent friendship, with lazy days hanging out on the beach and partying with her colorful friends, soon becomes a temptation for Diego, as Vanessa makes it clear she is open to more than just friendship. Eventually Diego is made to choose between the girl he barely knows, but promises the adventure he's always secretly yearned for, and his wife whom he loves, but who wants him to settle down into a more traditional life.

Funny, romantic, and honest, *After the Wedding* is an intimate portrait of a young couple navigating their new roles as husband and wife, and contemplates traditional love in a modern age.

Director Bio

CLAUDIA CIFUENTES is a writer, director and producer. A graduate of NYU film school, she began her career as an apprentice to acclaimed director Michael Mann. Inspired by his auteur-style of filmmaking, she eventually moved back to New York to hone her own directing style. *After the Wedding* is her feature directorial debut.

SOBRE EL PROYECTO

SINOPSIS

AFTER THE WEDDING (DESPUES DE LA BODA) es una tragicomedia que sigue al recién casado Diego Díaz (Nick Puga) quien viaja a Miami Beach por unas semanas para terminar de escribir su ultima novela. El se involucra sentimentalmente con una sexy camarera de un bar, y el y su esposa, se ven obligados a examinar el verdadero estado de su joven matrimonio.

AFTER THE WEDDING, a su vez graciosa, romántica y honesta, demuestra el cuadro intimo de una joven pareja intentando encontrar el balance en sus nuevos roles de marido y mujer y contempla la idea del amor tradicional en la época moderna.

Una producción de Pink Forest Films, con la actuación estelar de Nick Puga, Edy Ganem y Kandis Erickson. Escrita y Dirigida por Claudia Cifuentes. Producida por Lisa Cifuentes y Karina Cifuentes.
